We do not have responsibility with missing file of this book.

The hyperactive love child of *Page Six* and *Whatever Happened to Baby Jane?* caught in a tawdry love triangle with *The Fan*. Even *Kitty Kelly* will blush.

Soaked, nay, marinated in the world of vintage Hollywood, *Tell-All* is a *Sunset Boulevard*-inflected homage to Old Hollywood when *Bette Davis* and *Joan Crawford* ruled the roost; a veritable Tourette's syndrome of rat-tat-tat name-dropping, from the A-list to the Z-list; and a merciless send-up of *Lillian Hellman's* habit of butchering the truth that will have *Mary McCarthy* cheering from the beyond.

Our *Thelma Ritter*-ish narrator is *Hazie Coogan*, who for decades has tended to the outsized needs of *Katherine "Miss Kathie" Kenton* veteran of multiple marriages, career comebacks, and cosmetic surgeries. But danger arrives with gentleman caller *Webster Carlton Westward III*, who worms his way into *Miss Kathie's* heart (and boudoir). *Hazie* discovers that this bounder has already written a celebrity tell-all memoir foretelling *Miss Kathie's* death in a forthcoming *Lillian Hellman*-penned musical extravaganza; as the body count mounts, *Hazie* must execute a plan to save *Katherine Kenton* for her fans and for posterity.

*Tell-All* is funny, subversive, and fascinatingly clever. It's wild, it's wicked, it's boldfaced vintage *Chuck*.
